Re: Pinales v. Compass Group USA, Inc.
Case: 1-11-cv-02687-DLI-JMA

Your Honor:

This is to confirm that after consulting with my client Federico Pinales, our office will not be representing him in the within action in Federal Court.

I apologize for not advising the Court earlier. I have been in and out of the office due to major medical problems.

The Court's consideration is appreciated.

Respectfully,

Anthony Denaro, Esq.
